7. Do you think the workshop was:

Well planned?

Well resourced?

Well managed?

Well delivered?

Please add your ideas or comments:

8. If we were to develop the workshop in the future what should we keep

..... and what should we change?

What makes you say that?

9. What was the most effective part of the workshop ...

..... and what was the least effective?

What makes you say that?

10. Would the museum activities has been more successful if we had provided pre-workshop notes? **Yes/No**

If yes what information would have been useful before the workshop?

11. Would it be helpful if the museum provided details of possible curriculum links? **Yes/No**

12. Would it be helpful if the museum provided suggestions of follow up activities? **Yes/No**

13. Would you repeat the visit when studying the topic again? **Yes/No**

If not why not?

14. What other topics would you be interested in (if any)?

15. Please add any further comments
